The DfE has published an infographic for providers highlighting the process of confirming eligibility and validating a 30 hours eligibility code.

Providers: How to validate a 30 hours eligibility code

1

The parent will give you their:

30 hours code
Starts with
'5000xxxxxx'

Child's
date of
birth

National
Insurance
number

2

Validate the code
with your local
authority

Your LA will have
their own process
for this

or...

...do it yourself

Your LA will have their
own online portal for
you to use

3

Tell the parents their code
is valid and secure 30
hours place.

You only need to take action once your local authority tells
you which parents are no longer eligible.
