## ROCHFORD REVIEW CONFERENCE

Considering the Rochford Review: Planning for 21<sup>st</sup> Century Children with SEND

Friday 12<sup>th</sup> January 2018

9:30am – 4:00pm

This important conference follows the publication of the **Rochford Review** and the recent Government consultation. The conference offers a rare opportunity to gain a practical insight into the proposed new statutory assessment arrangements for pupils working below the standard of national curriculum tests. It is designed to ease anxieties about proposed changes and help colleagues develop a thorough understanding of the underpinning issues as well as a confident, practical approach to the new arrangements. There will be a particular focus on the Engagement for Learning Framework and how this can illuminate children's learning, achievements and progress.
