Rock n Pop nights this term

These events in partnership with Rock and Pop Festival Trust are open to all bands from Solihull Schools. Bands from Schools/SMS/SMC are invited to perform at the many Rock and Pop Nights that SMS organise. These take place at various venues around the borough- but principally at the Core Theatre and Solihull Moors FC.

11th/13th Oct - The Core

24th Nov – The Core

13/14th Dec - Solihull Moors

OSoSic II: SMS is leading on the Solihull Mass orchestra project.

This will feature most of our secondary schools and selected primary school to come together to form a mass orchestra – this has not been done by any other music hub. The orchestra will perform from BBC 10 pieces. It is also hoped that a keys stage 3 choir (supported by Armonico) will be involved. Julian Lloyd Webber is supporting this event with support from BCU

Friday 16th February: OSoSic II concert in Warwick Arts Centre.

The Cavern 2018 The Most Famous Club In The World

Solihull is the only authority to put this event on in the country and enjoys a unique relationship with the World Famous Cavern Club. As we celebrate our 10 year anniversary in partnership with Liverpool's 10th anniversary of them being city of culture we are doing something completely different. Therefore on **the 9th/10th July** SMS will be taking over 3 stages at the Cavern – The Cavern Pub for open mic acts, Famous Cavern stage for bands of 4-6, Live Lounge for school ensembles. Hopefully, with street food and buskers etc it will create a real festival feel!

This will feature over 500 Solihull Pupils over the two days.
