

Energy and Greener Schools Celebration event

Friday 19th October | 9.00 – 3.30 | Sans Souci Training Centre | Solihull Council

Solihull Council is delighted to present a celebration event on low carbon and sustainable school achievements.

Why attend?

- Pick up ideas for moving forward with energy savings
- Help to involve the whole school community in making your school more sustainable
- Learn from local schools about their experiences, successes and lessons learnt
- Find out about the Greener Solihull Schools Award and how to take part

Who should attend?

The conference is aimed at Primary and Secondary Schools and Academies and will be of particular interest to:

- Eco-leaders
- Senior Management Teams
- Business Managers / Bursars
- Governors

Venue: Sans Souci, Tamworth Lane, Shirley, Solihull, B90 4DD

FREE for 2 delegates per school

Energy (morning)

Over the last 3 years there has been a concerted effort by many schools to cut their energy use and bills and shrink their carbon footprint – supported by the Ashden Less CO2 Programme.

- The conference will feature a range of case studies including, new technologies, renewables, low-cost energy efficiency measures and engaging pupils.

Greener Schools (afternoon)

With the Greener Solihull Schools Award pilot year having taken place and schools continuing to embed sustainability into their curriculum we will showcase and celebrate achievements and launch the award for 2018-19.

- At the event teachers, Council teams and other organisations will share best practice examples of how they work together to 'green' schools.

Options for attendance: A) Whole Day B) Morning only C) Afternoon only – (State A, B or C when booking)
All options include free buffet lunch to network.
