Dear Colleague

Please could you remind pupils about staying safe on their journey to and from school and when out and about in the parks and open spaces. From time to time, we do have incidents across the borough. At the start of the new term, I encourage you to remind pupils about their own personal safety, ensuring they keep themselves and their belongings safe.

Our education safeguarding website directs you to a range of resources to support your safeguarding work with young people including issues of gangs and youth violence, child sexual exploitation, on-line safety, anti-bullying and attempted abductions

We attach the revised procedure for notifying any serious incidents.

Yours sincerely

Phil Leivers
Assistant Director
Learning and Skills Division
