

Asthma Anaphylaxis / EpiPen Awareness

Sessions 2018 – 2019

Dear Schools

We are delighted to be able to offer extra awareness sessions on the **26th October 2018.**

As previously advised prior to summer holidays, we have revised the current awareness sessions practice and we will be offering sessions at a venue or school in the community commencing in September, 2018, October, 2018 and January, 2019.

This will require schools to book places for key/appropriate staff onto these sessions. Please be advised that due to venue availability places may be limited.

Please find the attached information on venues, dates, and times and how to book places on these awareness sessions.

Please do not hesitate to contact the respective school nursing team on the above contact details if you have any questions/queries regarding this matter.

Yours faithfully,

Solihull School Nursing Team
