Dear Head teacher

Re: Core offer - School Nursing Team

Hope you had a lovely summer and a chance to recharge your batteries and now ready for the busy academic year ahead.

As you know South Warwickshire Foundation Trust were awarded the contract to provide 0-19 services in Solihull commencing September 2017. School nursing services have been through a lot of changes in the past 12 months and we are keenly aware of the need to work closely with schools to enable us all to support children/young people to achieve their full potential.

With that in mind I thought I would like to take this opportunity to let you know what the 'Core Offer' from school nursing is. See attached document. I hope you find this helpful.

Please do not hesitate to contact me on the above contact details if you have any questions/queries about this or more generally about school nursing.

Yours faithfully,

Marie Holden
Locality Manager
