Governor Development Programme

"It is essential that we have the right people with the right skills chairing our governing bodies. Such people do not often come ready-made for the role; good succession planning and high quality training and development is vital" Lord Nash

INVESTING IN LEADERS OF GOVERNANCE

Governors are the strategic leaders within a school and having effective governance has a significant impact on the learning outcomes of children.

The Governor Development Programme

follows the core competencies within the Governor Handbook and the Competency Framework.

We deliver through blended learning experiences with key face-to-face sessions and professional networking opportunities. You will develop crucial understanding of your role as well as many transferable leadership skills including:

- Leading with Impact
- Strategic Leadership
- Accountability
