Where to take a child in a medical emergency

Dear Head Teacher,

We have an important reminder about Solihull Minor Injuries Unit that needs to be communicated to all parents in the Solihull area. Attached is a letter which we would be grateful if you could pass on to parents at your school.

Your staff should also know this information in the event that one of the children is taken ill at school. There is also a poster which could be put up at school.

Many thanks in advance for your help with this important issue.

Yours sincerely,

Dr Ola Erinfoami
