Dear Colleagues,

As promised, please find the LA Reading moderation dates for spring 2019 below.

Y1 & Y2: Monday 18th March, 9.00 - 11.30am at Sans Souci
Y3 & Y4: Monday 18th March, 1.30 – 4.00pm at Sans Souci
Y5 & Y6: Wednesday 27th March, 1.30 – 4.00pm at Sans Souci

The agreed LA Reading moderation sheets have already been sent to schools via Headlines but these are attached again for your convenience.

You will need to use these to moderate the work for **one child in your particular year group who is either working towards the expected standard or who is at the expected standard**. The work should be **moderated in your school** prior to attending this event.

Please bring some evidence to support your findings (eg. pupil records, annotations, teacher comments) so that you are confident in your judgement whilst discussing the pupil's achievements and their areas of development with your table colleagues.

To request a place at one of these events, please send an email to inset@solihull.gov.uk stating the delegate name and the required session.

Yours sincerely

S. Hickerton
