Dear Colleague

We have trained one person in every educational establishment to be a specific point of contact (SPOC) for Prevent concerns (preventing radicalisation and extremism). This person undertook the Home Office train the trainer training programme, in order to build capacity in schools, to train their own staff in working to raise awareness of prevent (WRAP 3) training. We are currently reviewing this list of staff in order to ensure this capacity is maintained. If your SPOC is no longer in post or no longer has this responsibility, please could you advise Donna O'Carroll, [donna.ocarroll@solihull.gov.uk](mailto:donna.ocarroll@solihull.gov.uk).

In addition, there is an e-learning package for staff which has been recently refreshed (see below) and information on the education safeguarding website.

<http://www.solgrid.org.uk/education/safeguarding/child-protection/issues/radicalisation/>

The Prevent awareness eLearning has recently been refreshed. This includes updates to reflect the recommendations from the Parsons Green review updated information following the change in threat and attacks of 2017 and new case studies. A link to the training is below.
