# Fairtrade Tea Trail

**Create tea themed art work for Fairtrade Fortnight 2019!**

We are looking for schools and community groups to design large sized pieces of art work to be displayed in shops and businesses around the Borough.

The art work will form part of a trail that would take place in Fairtrade Fortnight during March 2019.

## **We are a Fairtrade Borough!**

Since 2010 Solihull has been a Fairtrade Borough!!

We have many people, businesses, retailers, cafés and restaurants, and caterers supporting Fairtrade, (or Rainforest Alliance, or have their own ethical trading policies...)
