If you are attending training, you will need to park on the SMBC gravel car park. Make your way to Chelmsley Wood Police Station/follow Multi-Storey Car Park sign. You cannot get to the car park from the ASDA side. Follow the road all the way round in a circle, until you have almost come back on yourself. You will pass the Job Centre on your right and the Post Office building on your left. Once passed the Post Office, take the next left, 'Beauchamp Close' (not a real road). Keep left - through the double gates into the gravel car park. You can then walk back through the gates, turn left and left again into the ASDA car park. Make your way to the double doors on the left of the ASDA entrance.
