

## Loudmouth Theatre in Education

Loudmouth are currently offering a limited edition 'pre-SATs' version of their primary school theatre in education programme [Bully 4 U](#), on anti-bullying, online safety and emotional wellbeing.

*"It consolidated their knowledge in an original way. The session was brilliantly delivered and helped the children feel confident. The wellbeing section was very useful and they had the opportunity to discuss SATs worries, very helpful as it's clearly on the children's minds." [Teacher]*

This limited edition programme contains additional material on how pupils can prepare mentally and emotionally for SATs, and includes drama performance, discussion workshop and access to over 100 x online lesson plans.

Year 6 pupils will:

- Learn strategies for positive mental wellbeing and where to go for support.
- Explore some of the feelings and challenges that children may face in the lead up to SATs.
- Explore ideas to manage positive mental health and prepare for SATs.

Sessions are available for dates between now and SATs week. High demand is anticipated so contact Loudmouth today for details of prices and availability: [info@loudmouth.co.uk](mailto:info@loudmouth.co.uk), 0121 446 4880.
