Dear Colleagues,

The LA Reading moderation dates for the summer term 2019 are below.

Y1 & Y2: Wednesday 19th June, 1.30 - 4.00pm at Sans Souci

Y3 & Y4: Monday 24th June, 9.00 - 11.30am at Sans Souci

Y5 & Y6: Monday 24th June, 1.30 - 4.00pm at Sans Souci

Please ensure you bring evidence of 2 pupils in your class who are reading at "working towards" the expected standard. The pupil you choose should not yet be "working at the expected standard".

This will allow colleagues time to discuss with each other how we can bridge the gap carefully between the statements; and teach aspects more carefully to ensure these pupils eventually and confidently achieve the expected standard in due course.

As always can you bring a range of evidence to be able to support why you know this pupil is working towards the expected standard.

Please ensure you bring evidence of what school reading assessments you use to have helped you to be able to make judgements. Other evidence may include teacher annotations, spelling banks, teacher notes, video of reading, reading journals, evidence of reading across the curriculum.

LA moderation forms can be found with last term's paperwork [here](#)

Places are now very limited at these sessions but to request a place, please send an email to inset@solihull.gov.uk stating the delegate name/school and the required session.

Yours sincerely

S. Hickerton
