

Energy and Greener Schools Conference

Friday 18th October | 9.00 – 3.30 | Sans Souci Training Centre | Solihull Council

Energy (morning- 9:00-12:30)

- The conference will feature a range of case studies including, new technologies, low-cost energy efficiency measures and engaging pupils.
- Find out the latest on the Council's Carbon Targets, the shaping of a Schools Energy Engagement Programme and links to Asset Management Plans.

Greener Schools (afternoon 13:30-15:30)

- At the conference teachers, Council teams and other organisations will share best practice and examples of how they work together to 'green' schools.
- We will celebrate 'Greener Schools Award' achievements and launch the award for 2019-20.

Why attend

- Pick up ideas for moving forward with energy savings.
- Help to involve the whole school community in making your school more sustainable.
- Learn from local schools about their experiences, successes and lessons learnt.
- Find out about the Greener Solihull Schools Award and how to take part.
