Join us for a FREE twilight workshop!

It is clear that Farming STEMterprise goes above and beyond any scheme of work; it embodies the ethos of STEM teaching and learning amazingly.

West Midlands STEM Ambassador Hub

Date: Thursday 12th March 2020

Time: 4.45pm - 6pm

Location: Solihull Civic Suite, Homer Rd, Solihull B91 9SE

To book your place please email: hcolson@solihull.gov.uk

This resource will make a valuable contribution to the primary school and provide teachers with ideas and materials to support pupil learning across a number of curricular areas. The farming and business context breathe life into the content. Learning about and for everyday life is the cornerstone for this collection, which pupils and teachers alike should find engaging, rewarding and enjoyable.
