

**Resources to support online and home learning for primary schools.**

**The following British Council website offers a range of English language activities at varied levels as well as a section offering parents advice**

<https://learnenglishkids.britishcouncil.org/>

**The BBC have various resources on-line from games, phonics, numeracy, literacy, etc as well as their Bitesize daily lockdown lessons on television and on-line**

<https://www.bbc.co.uk/teach>

<https://www.bbc.co.uk/bitesize>

<https://www.bbc.co.uk/iplayer/group/p093cv85>

**Maths website – useful for securing basic number skills as well as introducing and practising other maths topics**

<https://whiterosemaths.com/resources/primary-resources/> (access to some free maths resources, clear and well set out subscription required for additional premium resources)

**The following websites provide resources on most subjects for all ages**

<https://classroom.thenational.academy/> (with teacher led video lessons)

<https://kids.classroomsecrets.co.uk/category/year-1/> (some free resources but log-in required – special offer for parents at the moment to subscribe to site)

**Alphabet, Phonics and Reading**

<https://www.youtube.com/watch?v=XC6wQQHo8uU> (Alphabet song to help pupils that don't know names of letters. Various other songs by same group for numbers, rhymes, etc.)

<https://www.jollylearning.co.uk/resource-bank/learn-the-letter-sounds/>

(provides good example of correct pronunciation by an adult may be more suitable for an older child learning phonics/reading. Also provides a parent guide on phonics in Spanish, Japanese, French and Chinese)

<https://www.booktrust.org.uk/books-and-reading/have-some-fun/fun-at-home-with-authors-and-illustrators/>

(stories and rhymes/songs for children to listen to providing good exposure to spoken language + extra activities to do)

<https://home.oxfordowl.co.uk/reading/free-ebooks/>

(provides free access to an e-library where children can listen and read along. Oxford Owl provides many other resources for learning. Requires a log-in to access free resources)

<https://www.storylineonline.net/library/>

(stories read by famous American actor/actresses – again audio stories provide good exposure to good pronunciation and reading/intonation skills)

### **Learning games websites**

<https://www.topmarks.co.uk/maths-games/5-7-years/counting>

(maths games for all ages)

<https://www.topmarks.co.uk/english-games/5-7-years/letters-and-sounds>

(literacy games for all ages)

<https://www.bbc.co.uk/cbbc/puzzles> (jigsaw puzzles and spot the difference)

<https://www.learningvillage.net/> is a **dedicated EAL learning programme** that

supports the curriculum and tracks individual pupil progress. Subscription required. May help to support/integrate pupils with no English or new to education.
