

Dr Stuart Coles

Dr Stuart Coles is an Associate Professor at WMG, University of Warwick and leads a research group focusing on sustainable materials. Stuart is the Deputy Director of the EPSRC Centre for Doctoral Training in Sustainable Materials and Manufacturing, which is led by WMG in collaboration with Cranfield and Exeter Universities. As well as EngD level courses, the centre also has an embedded MSc in Sustainable Materials and Manufacturing. Stuart also teaches two modules related to sustainability on full time undergraduate programmes for Engineering students called 'Design for Sustainability' and 'Life Cycle Engineering for Manufacturing Systems'.
