

Megan Sturton

Megan Sturton – Megan has spent the past 6 years at Change Agents UK recruiting people into roles within sustainability. In that time she has worked with over 100 organisations, interviewed several hundred candidates and read thousands of applications. Megan also develops and delivers professional skills workshops and learning resources to support people early on in their career. Drawing on her own varied professional experience to date, she offers a different perspective on what the journey into a career in sustainability can look like.
