WHO ARE CHANGE AGENTS UK?

Charity and Not for Profit working in sustainability, education and employability

Our Vision

A secure, resilient, zero-carbon and fair future for all.

Our Mission

- What we want to do:
Raise public awareness of the Sustainable Development Goals and climate emergency
- How do we do it?
By building networks and supporting projects that engage individuals and organisations in working for a sustainable and zero-carbon future.

OUR WORK

We provide supported **paid work placements in Sustainability** for young people and we support partners to respond to the Climate Emergency & delivery of the Sustainable Development Goals (SDGs)

Kickstart for Sustainability Gateway organisation

We undertake research: 2020 "Skills for the Future" - HE, business leaders and recent graduates

Education & workshops

- Sustainable Futures
- Careers in Sustainability
- CAUK Learning Academy
- Transition to Work – Essential Skills

SUSTAINABLE FUTURES

Our Sustainable Futures Programme draws on our research and experience to help young people aged 16-24, covering:

- What "working in/for sustainability" looks and feels like and what trends we might see emerging.
- An introduction to the Sustainable Development Goals and climate awareness
- What different types of organisations and roles exist and how to make a difference.
- The skills employers are looking for and how to develop and demonstrate skillsets.
- How participants' values and networks can be used to shape their careers in sustainability.
- Moving from education to the world of work.
- CV development, applying for jobs and interview skills.

SUSTAINABILITY FROM ANY CHAIR

Sustainability doesn't work in a silo
– it must cut across everything
horizontally.

We need people from all disciplines
to understand sustainability and to
make it part of their role.
Be The Change.

HOW CAN WE HELP YOU?
