

# Sustainable Schools Conference

*The free conference is aimed at senior managers, business managers, bursars, governors, eco-leaders, eco-teams, teaching staff and students*

## Wednesday 23 November (9:30 - 15:00)

Online - using Microsoft Teams

### Session 1: The sustainable future of your school

- Practical advice on carbon and wider sustainability
- Your Future Solihull branding and communicating climate action
- Latest on the Council's Net Zero Action Plan and sustainability initiatives
- Results from the Youth Climate Action Survey

### Session 2: Climate awareness training with Ian Cable (Education Lead at the Collective for Climate Action)

- Where we really are with climate today
- Why it's so difficult to address
- What we can all do to help

### Session 3: Greener Schools

- Greener Solihull Schools Awards 2022
- Support from the Council, businesses and other organisations
- Schools sharing sustainability best practice

**Register for a Teams invitation - email [slardner@solihull.gov.uk](mailto:slardner@solihull.gov.uk)**
