

Love Solihull is an environmental initiative co-ordinated by Solihull Council which supports the local community in making a real difference to where they live.

Through working together, we can help make the borough one of the **cleanest, greenest and safest** in the country.

We help individuals, community groups, schools and colleges, businesses, charities and voluntary organisations to look after neighbourhoods, local parks and green spaces.

Ways to get involved:

- ♥ Hold a community litter pick - we can loan kit to your school
- ♥ Take the classroom to your local park – discuss the environment, park safety and maintenance; any ideas or issues discovered - let us know!
- ♥ Carry out a project alongside a local community group to improve the biodiversity of an area
- ♥ Plant some trees supported by the Planting Our Future team
- ♥ Take part in a school competition hosted by Love Solihull
- ♥ Talk to staff, students and parents about Love Solihull and encourage them to get involved in volunteering (we can support DoE too!)

Join our Community Litter Picking Initiative

Litter picking is a great way to **give back** to your local community at a **time that suits you**

Get **active**, make new **friends** and create a visible **difference** to where you live!

Its so simple to get started:

- Read the guidance and fill in our online form: solihull.gov.uk/lovesolihull
- Wait for confirmation that you are registered
- Visit your local library to collect your **free kit**
- Start litter picking parks, open spaces and neighbourhoods located in the Solihull borough

More info:
www.lovesolihull.org
or speak to a member of library staff today

Love Solihull is a member of the **Keep Britain Tidy Network**

We can support your school to take part in national campaigns like the **Great British Spring Clean**,

We can help loan the necessary equipment, as well as provide guidance and a risk assessment template

Save the Date - Great British Spring Clean 2023

Friday 17 March – Sunday 2 April 2023

#RESPECTPARKS

**BE FRIENDLY
AND SHARE
THE SPACE**

**RESPECT
THOSE
WORKING
IN THE PARK**

**IF THE BINS
ARE FULL,
TAKE YOUR
LITTER HOME**

FIRES**

#LoveParks

**THE GREAT
BIG GREEN
WEEK** 

School competition to design the flower bed in Malvern Park: **‘Your Future Solihull’**
theme - £100 prize for winning school with winner design’s planted in 2023
Entries close on **Friday 16 December** by email: lovesolihull@solihull.gov.uk

Your school could help tackle climate change by:

- Offering land to plant a carbon-storing orchard or woodland
- Creating a green roof or living wall to encourage biodiversity
- Plant hedgerows around the site boundary

Our team is here to support your idea:

plantingourfuture@solihull.gov.uk
