# Environmental Education resources

## Resources:

- Love Solihull
- Recycle Now Schools
- WRAP

The screenshot displays the 'THE ACTION PACK' website. At the top, there is a navigation menu with links for 'Home', 'Resources', 'Families', 'Inspiration', 'Competition', and 'Gallery'. The main header features the 'Love Solihull' logo and a 'recycle' icon. Below this, a large banner shows a person's hands holding a tablet displaying the word 'RESOURCES' in large, stylized white letters. The main content area is divided into two columns. The left column has a 'Schools & Youth' section with a description and a link to find more resources. Below this are three logos: 'Greener Solihull FOR SUCCESS', 'SAVE OUR PLANE by', and 'YOUR FUTURE SOLIHULL'. The right column features two green-bordered boxes. The top box is titled 'Starter resources: Recycling in your class' and lists features like 'Community', '100+ pages', and '2000 activities'. It includes two resource cards: 'Home recycling survey' and 'Interactive poster kit'. The bottom box is titled 'Introduction to recycling: Key Stages One & Two' and lists features like '1500+ pages' and '2000 resources'. It includes two resource cards: 'Introduction to recycling: Key Stage One' and 'Introduction to recycling: Key Stage Two'. At the bottom of the page, there is a colorful illustration of a city skyline with buildings, trees, a train, a tractor, and a truck.

## The R Team Resources:

- What is the R Team?
- What are the key learning points?
- What is involved?
- Where to find The R Team:
  - Website: [www.solihull.veolia.co.uk](http://www.solihull.veolia.co.uk)
  - [kerry.taylor@veolia.com](mailto:kerry.taylor@veolia.com)

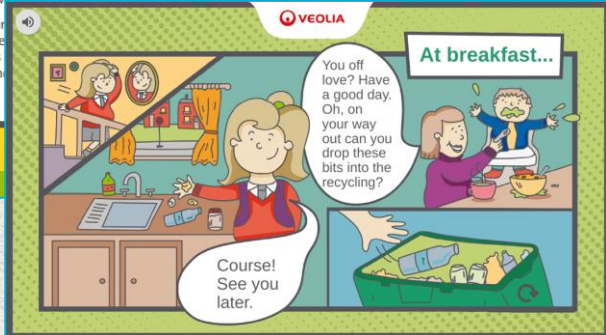

WHAT IS THE R TEAM? RESOURCE FORMAT

### What is the R Team?

The R Team explores the waste hierarchy through the eyes of Jo, an inquisitive 9-year-old, and her family and friends. It encourages pupils to join The R Team and champion good waste management. There is an introductory assembly, followed by a workshop exploring each of the four Rs - reduce, reuse, recycle and recover.

Beyond learning about the 4Rs, children will increase their awareness of climate change and our environmental impact. They'll be inspired to think about how their actions can make a difference to preserve natural resources and save energy. Pupils will be empowered to know that while everyone might be at a different starting point, we can all make small changes to do a bit more and to help the world around us.

The resource is centred on inspiring and motivating pupils, equipping pupils with the knowledge and motivation to take the messages home, to make a positive difference.

At breakfast...

You off love? Have a good day. Oh, on your way out can you drop these bits into the recycling?

Course! See you later.
