

## Solihull Maternity and Early Years Strategy

Autumn 2022 update

### Ages and Stages Questionnaire at age 2 to 2 ½ years – 5 Domains of Early Learning

13% of children are below their expected level of development

Of this 13% - communication is the main area for further development

Total number of children

### Solihull School Readiness Definition at age 5 years old.

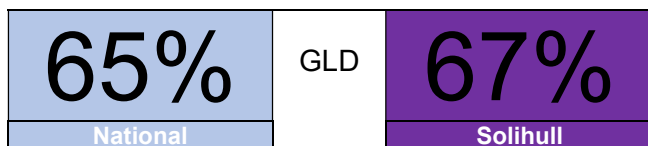

Please add your words to our Mentimeter to help us to build our definition of school readiness in Solihull -

<https://www.menti.com/91h7sgcu1> by 21.11.22.

### Early Years Foundation Stage – Good Level of Development at age 5 years in 2021-22

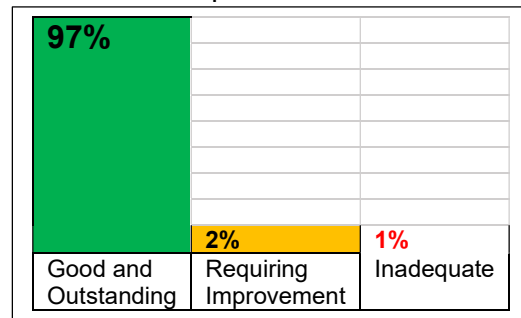

National Good Level of Development & Solihull

Communication, literacy and maths are the areas where fewer children were at the expected goal.

GLD outcomes are based on Solihull LA internal data not DfE reported [due 11.22]. The goals are new for 2021-22 and are not the goals from the 2021 GLD

### Early Years Setting Ofsted Grades September 22
