Many of you have expressed an interest in continuing your SchemaPlay Journey. SchemaPlay offer an accreditation programme. To register your interest, please email: admin@schemaplay.com

To help you attain your prestigious SchemaPlay Educator Accreditation at 'Level 1', you will have the support of a dedicated SchemaPlay trainer who will equip you with the necessary skills to identify the early operational schemes children employ in their self-directed play, thus enabling you to uncover their inquisitive nature and self-motivated learning endeavours. If you are engaging in the accreditation programme as a setting, your SchemaPlay™ accredited trainer will also support your setting to engage in the SchemaPlay Early Years Setting Audit; supporting your setting with any self-assessed development plans and to showcase and meet the accreditation requirements.
