

Making Sense of Autism

Gain a better understanding and awareness of autism and the way it affects children in early years.

Who is this training for?

This is a raising awareness module for anyone working in early years settings. This includes teaching and support staff, office and ancillary staff, caterers, caretakers, transport staff and governors.

What will you learn?

- Enhance your understanding and awareness of autism and how autism can affect children in early years settings
- Know the importance of understanding the individual child and their profile of strengths and needs
- Identify potential barriers to learning for autistic children
- Begin to make reasonable adjustments in the way you support autistic children
- Reflect on the information you need to collect for creating a one-page profile
