Special Guest Speaker

Stephanie Bennett

Co-Founder of The Curiosity Approach

Stephanie will discuss the challenges children and young people face in a post-pandemic, fast-paced, technology-driven world. She will cover the impact of on children's development and the impact we are now seeing the changing world is having on young educators. Stephanie will also explain how The Curiosity Approach fosters critical thinking, creativity, and independence, inspiring children and young people to become enthusiastic learners and effective educators.
