Provider to complete:

Additional charges: Government funding is intended to deliver 15 or 30 hours a week of free, high quality, flexible early education and care. The 15 or 30 hours must be able to be accessed free of charge to parents; that is, there must not be any mandatory charges for parents in relation to the free hours.

Government funding is not intended to cover the costs of meals, other consumables, additional hours or additional services. Providers can charge for consumables, meals and snacks, extra activities and additional hours provided they are not mandatory charges or a condition of accessing a place.

The costs of chargeable extras should be published on provider websites or, where they do not have any website, on local authority Family Information Services. These should be clear, up-to-date and easily accessible to parents, to enable parents to make an informed choice of provider.

Additional charges for consumables or additional charges per day						

Provide details of the charges made for consumables and additional services and itemised details of what these charges relate to:

Step 6: Parent/Carer/Guardian with legal responsibility declaration

Please read the follow statements before signing this section below;

The provider has explained the terms and conditions for funded places to me and I understand that:

- Proof of name and age of my child must be given to the provider (birth certificate or passport)
- For 9 month old funding, 2 year old funding or Universal 3&4 year old funding I can claim up to a maximum of 30 funded hours per week over 38 weeks in the year (or 1140 hours per year 'stretched' up to a maximum of 52 weeks)
- For the 3 & 4 year old Extended Entitlement I can claim up to a maximum of 30 funded hours per week over 38 weeks in the year (or 1,140 hours per year 'stretched' over 48 or 51 weeks)
- The maximum entitlement applies even if the entitlement is 'split' between two providers
- If my provider is not open for at least 38 weeks then my child will not be able to access the full entitlement with the provider as the maximum funding that can be claimed per week is 15 hours or 30 hours i.e. the full entitlement cannot be condensed over less than 38 weeks per year
- If I sign up with a provider it is my intention to send my child for the funded hours as per the pattern of attendance completed on this form. It is fraudulent to sign up to more funded hours than my child is actually accessing and also for the provider to claim more funded hours than my child is accessing.
- If my child is accessing funding on a term time (38 week) or stretched (over more than 38 weeks) pattern it has to be for a minimum of one whole term and cannot be changed to another pattern until the start of the following term.
- The provider will not charge me for the funded hours that my child is accessing
- I have to pay the provider their published fees or charges for any extra hours or services that I agree for my child to access over and above the funded hours
- If I want to move my child to another setting, I must give at least a 4 weeks' notice in writing. If I do not do this, I will not be able to claim funded hours at the other setting until the end of the notice period
- If my child is eligible for DAF, I must give the provider copies of my child's current DLA award document(s) and the fixed payment will only be made to the provider I have nominated above
- I will have to complete a new parental declaration form in certain circumstances, including:
 - Where I request, and the provider agrees to, changes to the number of funded hours claimed or change the pattern of the claim e.g. from Term Time to Stretched
 - If my child is claiming the 30 hours extended entitlement but has to move to claiming only the 15 hours Universal entitlement due to a change in circumstances
 - Where there is a change or changes to any name. address or provider details
- If applicable I must apply for and receive a valid Eligibility Code by the end of the month (31 Mar or 31 Aug or 31 Dec) before the respective term starts. Also, it is my responsibility to reconfirm my eligibility code every 3 months when reminded by HMRC. In the event that the eligibility ends, my child will continue to receive the universal entitlement (3 and 4 year olds only) with the provider who I have nominated for this. My child can continue to get funded hours up to the grace period end date on my Eligibility Code.

- My child can only access funded hours at up to 2 childcare providers per day, and not exceed the total number of weekly and termly funded hours per term. My childcare provider should inform me of the total funded hours per term.
- My child can only access funded hours between 6am and 8pm and up to a maximum of 10 hours per day. My child must have a set weekly attendance pattern for funded hours.
- I can be charged a refundable deposit to secure a funded place for my child however this should be returned to me in a timely manner.
