

## Solihull Natter Matters: Building Communication Champions in Early Years

Solihull early years community of support

### Overview

This 2-hour practical training on **speech, language and communication (SLC)** and best practice in **universal provision** will strengthen early years practice and support every child's communication journey.

You will:

- Explore the **Solihull toolkit of support**
- Learn how to embed **universal strategies** that promote SLC development
- Discover ways to create **communication-friendly environments** and language-rich provision
- Share best practice and reflect on the new **Ofsted emphasis on early communication**
- Understand your role as a **Communication Champion** within the **Early Years Speech & Language Pathway**

### Dates & Venues:
