Governing Body Chairs Briefing Sessions

The role of the Governing Body Chairperson is recognised as being very important. Governing Body Chairs have a wealth of knowledge and expertise but we are aware there are very few opportunities for Chairs to share this with others. These termly briefing sessions have been arranged to give Chairs an opportunity to get together to discuss topical items of interest and to share good practice. The content of the briefings will be determined by the Chairs.

Chairs will have an opportunity to:

- Meet and interact with other Chairs;
- Find out how other Governing Bodies operate and deal with situations;
- Share good practice.

The briefing is an informal meeting designed for Chairs to talk about any aspect of their increasing and challenging role.
