Solihull School Governors' Training Programme

Governors' Audit – Self-Review and Skills

This seminar will support and enable Chairs and Vice Chairs to lead a review and skills audit of their governing body, leading into action planning to address areas that should be developed.

The intended learning outcomes are that governors will:

- To understand the importance of self-review and audit for continuous improvement;
- To have knowledge of various self-review tools;
- To begin to consider how to implement the self-review tool with a governing body;
- To understand how to action plan to address the outcomes of a self-review or skills audit.

The seminars will cover the following Ofsted Link: The quality of leadership and management.
