

**Solihull Governor Services**  
**Solihull School Governors' Training Programme**

**Healthy Schools**

This seminar will explore the issues relating to the Solihull Healthy Schools programme. The aims of the seminar are:

- To consider how Solihull Healthy School status supports the statutory responsibilities of governors in relation to promoting pupil wellbeing and pupil safeguarding;
- To consider how the Enhanced Healthy Schools model helps schools to develop the wider thinking and planning they will need to do in order to achieve focussed outcomes around health and well-being for children and young people.
- To update on the local healthy school programme's progress
- Encourage dissemination and sharing of healthy school practice

The intended learning outcomes are that governors will:

- Have an increased understanding of governors' responsibilities relating to health and wellbeing
- Be able to contribute to the school's self-evaluation and understand its strengths and areas for development pertaining to health and wellbeing;

The seminars will cover the following Ofsted Links: The achievement of pupils; the behaviour and safety of pupils.
