	IF1 and 2?????Additional evidence sought after panel to confirm decision to fund.			
	At least 1 targeted plan is provided for provision at band 1. The plan has intended outcomes and clear markers for progress. The reviewed plan evidences progress towards these intended outcomes as part of the assess>plan>do>review> approach. Targets are linked to need, chunked into appropriate achievable success markers, and time specific to enable progress towards them to be measured at each review. [yes – continue] [no – re-submission]			
	Successful IF1	Further clarification and re-submission when??	Successful IF2
