

Solihull Family Hubs Information Webinar

Solihull Council will be opening some new Family Hubs across the borough. These important new centres will give children, young people and their families access to the best health and family support services from pregnancy to 25 years, alongside social activities at places that are most convenient for them.

We're hosting a webinar from **4.30pm to 6pm on Monday 12 December** so you can find out more about the services that will be available.

There will be a presentation about the hubs – where they will be, what they will offer, and how they will work. There will also be time to chat so you can share your views, ideas and ask questions.

To secure your place scan the code below with your phone camera or go to this website - <https://bit.ly/3zEUWc0>
