QUALIFICATION; QA LEVEL 3 AWARD IN FIRST AID AT WORK (RQF)

The qualification is specifically designed for individuals who wish to act as a first aider in their workplace.

Successful candidates will learn how to manage a range of injuries and illnesses that could occur at work and will be equipped with the essential skills needed to give emergency first aid.

What's more, as a regulated qualification, employers can book this course for their employees and rest assured that they have fulfilled their legal responsibilities for providing quality first aid training, without having to undertake any lengthy due diligence checks introduced in the recent HSE changes.
