17 January 9.00 – 12noon <i>The Lodge, Tudor Grange Academy, Solihull, B91 3PD</i>	Effective teaching and learning of Geometry and Statistics in Key Stages 1 & 2 Geometry and Statistics are integral parts of the primary national curriculum, and yet their teaching time is increasingly reduced in favour of other areas. It is crucial that the teaching of these mathematical domains is accurate and effective, with clearly defined progression, if children are to gain the skills they need during their primary years. This course shares a range of resources and activities aimed at embedding a clear progression of skills for the classroom. Delegates will understand the progression of skills required for development across key stages 1 & 2, key vocabulary, resources, models and suggested activities.	Tudor Grange Louise Burnett	£70*	Primary Practitioners
17 January 1.00 – 4.00pm <i>The Lodge, Tudor Grange Academy, Solihull, B91 3PD</i>	Integrating Reasoning into every Mathematics lesson 'Reasoning' is one of the three core aims of the statutory mathematics curriculum, and the area with which many children (and teachers!) struggle. Is effective teaching of reasoning embedded into all of the mathematics lessons in your school? Are the children confident in justifying their decisions, proving their understanding and generating further questions of their own? This half-day course focuses on the essential skills of reasoning, and explores ways of working in the classroom to support children's developing understanding. Delegates will try out ideas using a range of strategies and resources aimed at both key stages one and two.	Tudor Grange Louise Burnett	£70*	Primary Practitioners
18 January 4.00 - 5.15pm <i>Sans Souci</i>	Early Years moderation -Understanding the World Please bring along examples of evidence for the children in the age group you work with to share and moderate with other early years teachers and practitioners	EYEIS Jayne Draper	£35	EYFS practitioners working in schools and settings
