

The Central Ethnic Minority Achievement Hub

Don't miss this opportunity to profit from Wolverhampton's excellent **literacy programme** that has led to such good progress in literacy.

The two courses offered, focusing on years 4, 5 and 6, have made a huge difference to pupils' abilities to clearly show what they can do. In addition we are offering our popular Supporting Pupils New to English course and an Early Years course **'Hearing the Silent Child.'**

Should you wish to take advantage of any of our courses, either log in on the [website](#), complete the attached booking form or simply email Mary Maybank, Managing Director of Central Ethnic Minority Achievement Hub marymaybankconsult@gmail.com
