

**LESS CO₂ / SCHOOLS
WORKING TOGETHER TO
SAVE ENERGY NOW**

What is LESS CO₂?

LESS CO₂ is a programme to help schools become more sustainable.

We offer mentor support, peer to peer learning, and expert advice.

New look LESS CO₂?

- Schools have been signing up to LESSCO2 throughout lockdown
- **Cluster webinars** in specific areas or with partners
 - Organised similar to previous workshops
 - 4 webinars of 1 hour (2 more if needed)
 - 2 mentors at each webinar
- **National webinars** – open to any UK school
 - Advertised through social media, our networks, LESSCO2 schools
 - Schools register to attend
 - Specific themed workshops – created by mentors.
 - Can be focused on specific issues or types of school
 - 2 mentors at each webinar.

IS YOUR SCHOOL FIGHTING CLIMATE CHANGE? **JOIN US!**

Let's Go Zero 2030 unites schools working to be zero carbon by 2030. That's a huge challenge – but transforming our schools will help safeguard the planet for future generations.

Greta Thunberg

- Documentary from start to speaking at the UN
- It looks at Greta primarily, rather than Climate Emergency
- Trailer: <https://youtu.be/i74n4BUYgHI>
- BBC / Swedish radio: “Summer with Greta”
- Narrated essay from Greta about trip to UN
- <https://www.bbc.co.uk/programmes/m000kwcc>

What you need to be doing now

- LESS CO2 - join or keep it up
- Energy Audit
- Use your energy data - monitor, investigate
- Have an Eco-team and coordinator - give them time

What you need to be doing very soon

- Plan how to go Zero
- Declare a Climate Emergency
- Decarbonise your heating, by 2030 if you can
- Solar Panels on your roofs
- SMBC interest-free energy-efficiency loan
- We and the council can help!
